July 1 to December 31, 1890.

A

Abel, Sir Frederic, References of Interest to Gas Engineers, from Address to the British Association..... 498
*Adams' Coke Oven..... 364
*Adams, H. C. Gas Coals of the United States, etc..... 761
Address of President, American Association..... 616
A Few Hints on Cement..... 882
Alternating Currents. Motors for Mining Work..... 237
Ammonia. What Can It Do?..... 85
*A New Recording Pressure Gauge, by Prof. W. H. Bristol... 223
Annual Meeting, Mount Holly (N. J.) Gas Light Company... 11
Annual Meeting, Ishpeming, Mich..... 47
*Andrews' Process for Purifying Gas..... 77
*An Automatic Process for Charging and Discharging Gas Retorts by Gravitation, by Mr. G. Van Vestraut..... 111
*Analysis of Flue Gases from Steam Boiler and Other Furnaces.....581, 621, 656
An Absurdity Revived..... 658
*A Novel Form of Flexible Tubing..... 846
*Apparatus for the Manufacture of Gas. The Greenough—Jones', Addick's..... 43
*Apparatus for Measuring and Carbonizing Air or Gas, Hambleton's..... 44
Applications for Membership, American Association..... 614
A Point of Interest to Gas Managers..... 582
A Plea for Uniformity in Certain Castings, by Mr. A. H. Strecker..... 758
*Artificial Light of the Future, the, by Mr. Edward L. Nichols.....875, 911
Artificial Ice. How Made..... 237
A Well-Worded Circular..... 11

B

Bayles, J. C. Explosions from Unknown Causes..... 512
Belting, Leather..... 221
*Beynon, Mr. R. A Method of Deodorizing Foul Lime..... 543
*Berryhill Pipe Joint, the..... 42
Boardman, A. E. Electric Lighting by Small Gas Companies, Hints on..... 806
Bookkeeping for Gas Companies, by Mr. W. P. Fodell..... 780
Boston Insurance Rules in Respect to Fire Risks of Electric Lighting.....224, 256
Boilers, Decay of..... 400
*Bracken's Tank Indicator and High and Low Water Alarm.. 115
*Bristol, Prof. W. H. A New Recording Pressure Gauge.... 223
Burners, Gas and Vapor..... 580
Building Materials, Selections of..... 880

C

Carbon, an Impurity in Hydrogen Affecting the Determination of Atomic Weight..... 885
Cast-Iron Coated Water Pipes, Specification for, by Mr. T. W. Yardley..... 405
Candle Power of Electric Lights..... 473
Cements for Rubber and Gutta Percha..... 476
Cement, a Few Hints on..... 882
Cement Mortar, Lime versus..... 547
Certain Castings, a Plea for Uniformity in, by Mr. A. H. Strecker..... 758
Chester, Mr. W. R. Utilizing of Waste Heat, etc..... 915
Chemistry of Illuminating Gas, Condensation, by Mr. Norton H. Humphreys..... 881
Citizen A., Municipal Gas Lighting by..... 75
Claus Process, The..... 2
Classification of Incandescent Lamps..... 330
Competition in Gas Supply and the Invariable Result, by Mr. Frederic Egner..... 5
Conditions of Safety in the Use of Geysers..... 912
Considerations on Water Gas at Home and Abroad..... 82
Coal, Our Guide to the Purchase of, by Mr. L. Hislop..... 258
Coal Production, Russian..... 296
Coal Tar Colors, Fast and Fugitive..... 921
Coke Oven, The Adams..... 364
Conclusions Punctured, M. Hoho's..... 472
Council, Report of, American Association..... 615
Covering Pipes and Reservoirs for the Conservation of Heat.. 514
Compressed Air for Power Distribution..... 547
Committee on President's Address, Report of, American Association..... 758
Committee on Nominating, Report of, American Association.. 620
Committee of Arrangements, American Association..... 774
Coal Sampling for Analysis, by Dr. Durand Woodman..... 838
Coke-Making in Early Days..... 879
Combined Engine and Dynamo, Efficiency of a..... 882
*Combined Washer, Tar Extractor and Exhaust Regulator, by Mr. E. G. Saville..... 400
Cowdery, E. G. Mismanagement of Gas Works..... 650
Crude Petroleum, Transportation in the United States..... 180
Cyanogen in Gas Making..... 537

CORRESPONDENCE—

McGuire's Descent on St. Joseph, Mo..... 218
How to Have Hot Water About a Gas Works..... 254
Superintendent Newell's Concise Explanation..... 818

D

Davison, Henry J., Sr. Obituary..... 110
Dangers of Electric Lighting, by Prof. Henry Morton..... 367
*Dangler Water Back Range..... 511
Denton, Professor. Test of Boilers at Pawtucket Pumping Station..... 46
Decay of Boilers..... 400
Decay of the Mechanic, The..... 517
Difficulties in Tank Construction, by Mr. Thomas Newbigging 39
Dixon, Mr. Robert M. Pintsch System..... 722
Domestic Electric Lighting..... 584
Dow, Mr. Alexander. Maintenance of High Tension Circuits. 297
Duncan, Dr. Louis. Modern Conception of Electricity..... 185
*Duplex Gas Engines, by Mr. Elmer A. Sperry..... 359
Durkin, S. W. Notes on Purification..... 543
